## CONTRIBUTIONS AND CHARGES 2020 – PRE-PRIMARY

Please find herewith report of 2020 Contribution and Charges for Pre-Primary. Below the Contribution, Charges and Voluntary requests have been endorsed by the Mount Barker Community College's Finance Committee on 4<sup>th</sup> November 2019 and approved by the College Board on the 5<sup>th</sup> November 2019.

### College Voluntary Contributions

In accordance with the Department of Education's (DoE) "Contributions, Charges and Fees Policy", schools can request up to a maximum voluntary contribution of \$60.00 for each child in Years K-6.

The contribution is voluntary and the funds supplement the cost of materials used by students in the educational program.

The quality of our teaching and learning program will be maximised when each family makes its contribution.

The amount of contributions received will add to the funds received from the DoE (through the One-Line Budget) and P&C fundraising to form the amount the college has available to spend on student learning.

### Charges

The term "charges" refers to the provision of extra cost optional activities which are part of the educational program and which the voluntary contributions do not cover. Participation in these non-curricula activities is optional and students will only incur a cost when they are involved in an activity. Parents will be asked to make payment for each activity as it approaches.

The 2020 extra cost optional activities and charges, which have been approved by the College Board, are listed in the "Voluntary Contributions and Charges 2020" document. The activities should not exceed the costs shown. If an activity does not transpire within the school year then charges for that event will not apply.

### Financial Arrangements

A range of payment options is available and may be negotiated with the college. Voluntary Contributions can be paid as a single contribution, or payment plan arrangements can be made with the college to spread the payment of contributions and optional charges (such as Year 6 camp) through the year.

Families experiencing financial hardship are invited to contact the Manager Corporate Services to discuss payment options.
